#### The August Outclearing of Laces Gets Under Way At 9 o'Clock Tomorrow

Valenciennes, Linen, Shadow and Venise Laces--huge quanti-tities at huge reductions.

The August outclearing of laces at Chamberlin-Johnsoh-DuBosCo's his come to mean for many the time to purchase those dozens and
dozens of yards of laces that a woman needs as a new season approaches.

Perhaps at no other time are laces marked at such saving prices.
This, because we are discarding one pattern and another, clearing out
all odd surpluses, making ready for the new stocks, in short, starting afresh
with the new season.

with the new season.

So, in light of the prices below and the fact that there are new dresses and underwear to be made and (not to be overlooked) that the Christmas sewing will doubtless be under way a long while before another such lace sale is announced take the profit of this sale as your own.

Here---

Valenciennes Laces

They were 15C a dozen 50c to 85c a doz.

Included are edges and insertions of Cluny, Torchon and Smyrna Laces—and the are all linen, sturdy and true, the kinds that make many successful round trips to the laundry.

And gathered into the sale is an odd and comparatively small lot of Venise edges and bands. The price tickets show they were worth up to 35c a yard. Now they are 8c a yard.
